All wage information is Prosperity Zone Sub-Region Median Hourly and Annual Wage data which was calculated based on the May 2018 Occupational Employment and Wage Statistics (OEWS) program of the Bureau of Labor Statistics. The OEWS program produces employment and wage estimates annually for more than 800 occupations for the U.S., individual states, and metropolitan and nonmetropolitan areas; National occupational estimates for specific industries are also available.

i. State Median Wage

Note: Selected occupations for each education/experience category are based on the Star Jobs Methodology. Education categories in this brochure represent the minimum level of education required for entry according to the Bureau of Labor Statistics. Actual market conditions may require additional education and training.

What are Star Jobs?

North Carolina's 5-Star Jobs represent occupations with the greatest projected employment potential through 2028. Occupations were rated from 1-5 stars based on wages, projected growth rates, and projected job openings.
