

# How to Get a Job and Keep It: Board Game Rules

## GAME OBJECTIVE

To review and gain understanding of the primary points of the “How to Get a Job and Keep It” webinar series, in a fun, engaging board game. A secondary objective is to enhance team relationships.

## SET-UP

### **Items Needed to Play**

Print the following from the NCWorks Training Center web site:

- Game Board
- Question Cards
- Coach Answer Sheet

You'll need enough “game pieces” for each person or team. Suggested items include:

- Color Chips, Stones, or Tiles
- Color Paper Clips
- Existing Games Pieces from Home
- Coins

### Preparation:

- Tape game board sheets together
- Cut question cards, divide into two stacks (general questions and challenge questions)  
*NOTE: Challenge cards have two questions on them.*
- Place cards face down on sheet labeled *Questions* and *Challenge*.

# How to Get a Job and Keep It: Board Game Rules

## GAME RULES

- Designate a coach.
  - Divide into small teams **or** play as individuals.
  - Decide which person or team will go first.
  - Coach uses answer sheet to determine correct answer.
  - Player stays on the same space if wrong answer is given.
- 

- **TO BEGIN**, place game piece on *Start*.
- Draw a card from the Question stack of cards.
- If answered **correctly**, move the number of spaces on the card.
- If answer is **incorrect**, the player stays on the space and waits their next turn.
- Players landing on a *Challenge* space will draw a card from the *Challenge* stack.
- Answer both Challenge questions **correctly**, move the number of spaces on the card **AND** choose to send another player back to Start.
- If a *Challenge* questions are answered **incorrectly**, the player will move back one space and draw *Question* card on their next turn.
- First person or team who lands on Finish wins!
