

Unlawful Interview Topics – Question Cards

Tell me about the kind of mandatory training that you feel should be provided to new employees.

How does this differ from what they are actually being offered?

What contributions have you made to change this?

Tell me about the most stressful job you've ever had.

What made it stressful?

How did you cope?

Give me an example of a recent presentation that you gave.

Was it successful? Why do you think so?

What did you do to plan the presentation and should you have done anything differently?

Give me an example of a time at work when real sensitivity was required of you.

Did you meet the challenge and how?

Do others view you as a sensitive person? How do you know?
