	Date: October 11, 2019
	Subject: Revised Local Workforce Innovation and Opportunity Act (WIOA) Workforce Development Program Year 2019 Allocations
	From:  <hr style="width: 30%; margin: auto;"/> Linda Cheatham Assistant Secretary for Workforce

Purpose: To revise Workforce Innovation and Opportunity Act (WIOA) Program Year (PY) 2019 Local Area October Allocations. To rescind PS 04-2019.

Background: The U.S. Department of Labor (USDOL) released revised WIOA Allotments for PY 2019 (July 1, 2019 – June 30, 2020) for Adult, Dislocated Worker, and Youth Activities in Training and Employment Guidance Letter (TEGL) No. 16-18, Change 1. Funding for PY 2019 has been adjusted to restore the PY 2019 appropriated funding set aside for program integrity and evaluation purposes. Funding change impacts October portion of WIOA funds only. The state allotments are based on funds appropriated to the USDOL by the United States Congress through the Consolidated Appropriations Act, 2019, Public Law 115-245.

According to the Act, Youth Activities funds become available for obligation on April 1, 2019. However, the Act funds the WIOA Adult and Dislocated Worker programs in two separate appropriations. The first becomes available for obligation on July 1, 2019; this portion is commonly referred to as the “base” funds. The second becomes available for obligation on October 1, 2019; this portion is commonly referred to as “advance” funds because they are provided in the Appropriations Act passed during the fiscal year immediately before the fiscal year when the funds are available.

In order to ensure that North Carolina is in compliance with USDOL requirement’s for Dislocated Worker allocations for PY 2019, the formula for each local Board’s Dislocated Worker allocation was modified slightly. The reason for the modification is to include the required element: Declining Industries. As a result, the new formula is comprised of the following components:

- 30% Insured Unemployment
- 30% Excess Unemployment
- 30% Long-term Unemployment
- 10% Declining Industries

Declining Industries consist of the change from the 3rd Quarter of one year to the 3rd Quarter of the next in the number of establishments in each county. For this year's calculations, that data consists of the change in the count of establishments from the 3rd Quarter of Calendar Year 2017 compared to the 3rd Quarter of Calendar Year 2018.

It should be noted that Adult and Youth allocation formulas are unchanged. Also, the Hold Harmless provision remains in effect for all three program allocations calculations. The Hold Harmless provision ensures that "no local area receives an allocation percentage that is less than 90 percent of the average allocation percentage received by the local area for the previous two years" (TEGL 16-18, Change 1).

The attached charts provide the revised October portions of the PY 2019 Local Area WIOA Adult, Dislocated Worker and Youth allocations.

Action: The attached allocation charts are to be used for planning and operating PY 2019 Workforce Innovation and Opportunity Act Title I Programs under the PY 2019 Local Workforce Development Board Plans.

Local Workforce Development Boards will be administered funds through the Workforce Information System Enterprise (WISE) system when received by the Division.
